offers you

A private guided tour:

ROOFTOPS OF LYON

Get up high to discover some exceptional, breathtaking views of the city!

The city's topography is unique, so let's make the most of it by climbing its hills and discovering superb viewpoints that tell the story of how the city has evolved over the centuries.

From public and private rooftop terraces, admire the views and roman ruins, iconic Christian buildings, unusual passageways and footbridges, as well as hidden terraces.

You will be able to admire the hidden places of the basilica : the large gallery from which you will discover the magnificence of the interior decorations, the bell tower, the St Michael's terrace, and the observatory tower.

Enjoy a special experience with this tour, guaranteed to impress, starting where it all began and ending in the old city of Lyon near the famous Primatiale.
