DELICATESSEN, MARKET & GASTRONOMY FOR FOODIES

Accompanied by an expert in gastronomy and Lyon's gourmet history, come and discover Lyon's famous covered market during a stroll where historical and cultural anecdotes await you.
First installed in the Place des Cordeliers in the 19th century and victim of its success. The city decided to move to a larger location near the Part-Dieu train station in 1971.
The famous Halles Paul Bocuse are now an integral part of the mythical places of Lyon.

The 60 delicatessens present in the halls will allow you to discover the whole of Lyon's gastronomy.
You will be seduced by the colors and diversity of the top-of-the-range products.

During this tour, your five senses will be awakened by the different actors of the local gastronomy who will explain with passion their specialties that are the pride of the city of Lyon.

By meeting the shopkeepers, you will also benefit from enlightened comments on the oenology and the wines of Lyon region.
